Hello Dave,

Good speaking with you earlier,

As discussed, the RCMP is seeking the help of the OPP in securing the use of one of the OPP Helicopters to support RCMP tactical operations.

Details of the request:

1. To start on 2022-02-01 in the AM. Note that we currently have the use of the Sureté du Québec Helicopter but only until Feb 1st in the morning.

2. The Helicopter would be secured and standing by at the Ottawa RCMP Air Services Hanger.

3. Require 24 hour capacity: requesting crews to be available on site 24hrs.

4. End Date: Still to be determined but expect another 3 days of activity (very fluid).

5. The missions:
   a. to ingress / egress members of the RCMP Emergency Response Team to locations that are no longer accessible by vehicle due to protestors / truckers blocking ground transport. Key Locations are: Parliament Hill, Rideau Hall, Harrington Lake (Furthest point….less than 30minutes flight time)
   b. to ingress / egress the Prime Minister of Canada (and Family) and / or the Governor General of Canada with spouse. Key Locations: same as above.

6. One RCMP Helicopter is currently engaged for this mission, therefore seeking the second OPP helicopter to support .

7. All costs will be assumed by the RCMP.

Dave, we fully realize that this is a significant request and that Air assets are at a premium. We also understand if this request cannot be fulfilled.

Thanking you in advance for any consideration the OPP will give to this request.

Merci

Mitch
